

NYACC Membership Payment Help

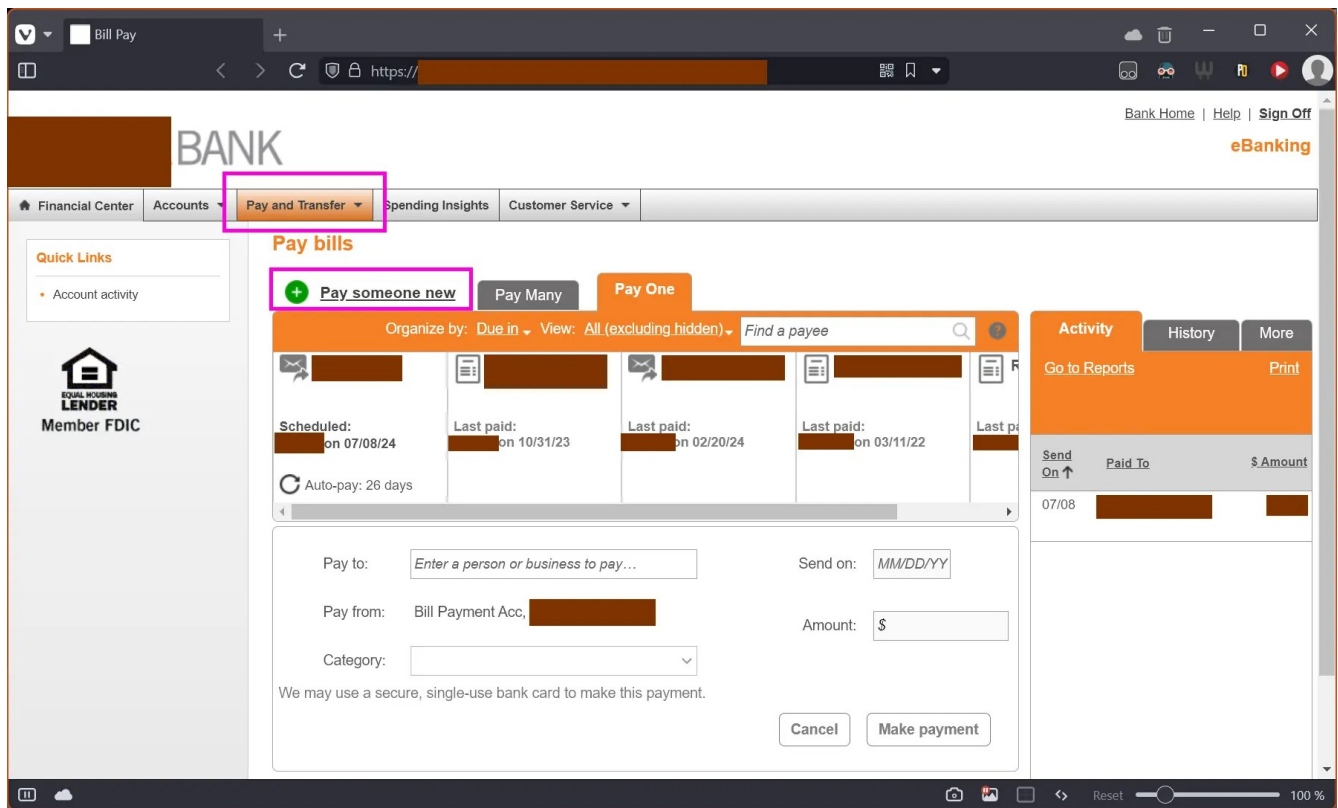

Brendan Kidwell
2024-06-12

The NYACC Board of Directors wishes to remind all club members that if they have not paid their membership fee for 2024, it's not too late.

The club does not accept PayPal or credit card / debit card payments. Please mail us a check or money order.

It's easy to send a check, and you don't have to have a checkbook or write one and mail it by hand. **Very likely, your own bank's online portal has a "Bill Payment" feature like the screenshot below, and your bank will not charge you for printing and mailing the check.**

You can read this memo in your own time by going to NYACC.ORG, then follow the link for BBS, then open the thread for June 13, 2024, and look at the replies at the bottom fo the page.

(Note: Your online banking portal won't look exactly like this, but it will be similar.)

Find the “bill payment” feature. Create a “Payee”:

- Name and Address:
 - New York Amateur Computer Club
 - PO Box 1026
 - New York, NY 10024-0547
- Account number: YOUR FULL NAME (if there is a place for it)

Next, find the “send payment (one-time, not auto-pay)” function. Fill in:

- Payee: New York Amateur Computer Club (the payee you created in the last step)
- Amount: \$20.00
- Memo: “membership” + THE CURRENT YEAR
- When: choose the next available day when your bank will print and mail checks.

Then click “Submit” or “Schedule” button and you should be all set!

Remember, this is even more secure than sending a check from your checkbook, because the check your bank prints for you will not have your own personal checking account number included in it.

Alternative Methods to Send Checks

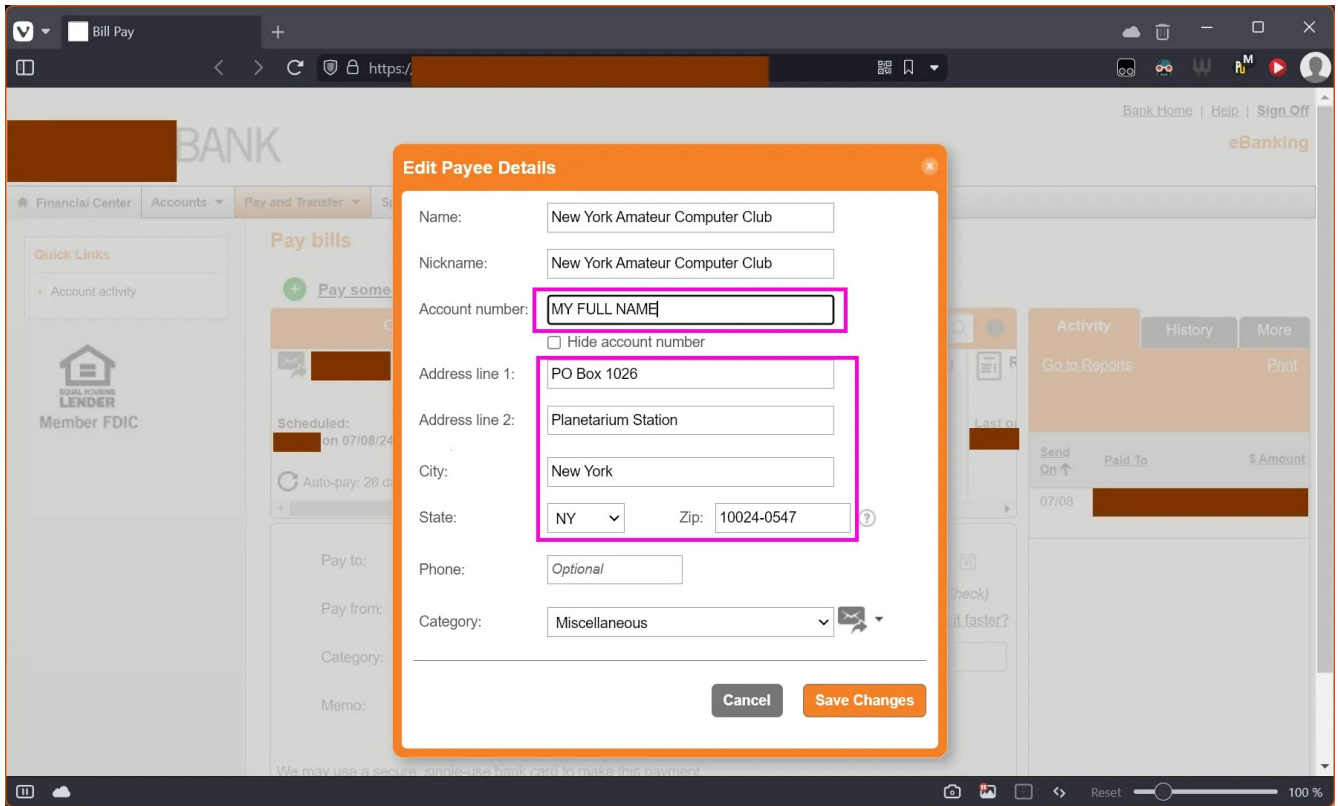

Go to any Walgreens / Duane Reade. Ask for a Western Union Money Order and pay with cash or your bank card. They will give you a paper check that you can mail to us.

If Duane Reade asks what this is for and if it’s a scam, tell them “this is for membership in New York Amateur Computer Club. I have been affiliated with them for some time and I trust them.”

Western Union also keeps a list of other retail outlets where you can purchase a paper money order, on their web site:

<https://www.westernunion.com/us/en/money-order.html>
